Load the MASS package

In this section, we will load the MASS package.

```
library(MASS)
```

The shrimp dataset

In this section, we will print the object shrimp

```
shrimp
```

```
## [1] 32.2 33.0 30.8 33.8 32.2 33.3 31.7 35.7 32.4 31.2 26.6 30.7 32.5 30.7 31.2  
## [16] 30.3 32.3 31.7
```

Description of Shrimp A numeric vector with 18 determinations by different laboratories of the amount (percentage of the declared total weight) of shrimp in shrimp cocktail.

Plot

In this section, we will show a simple plot of shrimp.

```
plot(shrimp)
```
